

The background features a light gray and white geometric pattern of hexagons and lines. Overlaid on this are several circles in shades of orange and blue, connected by thin lines, creating a network-like effect. A large, solid blue triangle occupies the right side of the image.

Strategic Travel Manager

The background features a light gray area on the left with a network of thin orange lines connecting various sized dots in orange and blue. Several white hexagons are scattered throughout this area. On the right, a solid blue triangle points towards the center, containing the Holiday Systems International logo. The overall design is modern and tech-oriented.
